We go beyond the ordinary and have been for over 125 years

Our **Pet Health Club** is beyond the ordinary, too! We offer our members unlimited vet and nurse visits throughout the year as standard. We love our patients, and we believe in giving them the right care, in the right way and at the right time. We feel that the best way to do this is to empower you to bring them in to see us, or chat to us via a video consult, whenever you have a concern about their wellbeing.

The **Senior Pet Health Club**, for when your pet turns eight, includes annual blood and urine tests as well as a blood pressure check, because identifying underlying health conditions at an early stage results in better outcomes.

“The monthly pet plan has been a saviour - it was recommended and has been an absolute bargain.”

Matthew with Biscuit, Allington

“Having dealt with Pennard Vets for over 30 years, I have had first class service for a variety of animals. The Pet Health Club is a great advantage in spreading the cost and gives excellent cover.”

Colin with Purdy, Tonbridge

“Service has always been great. Very pleased with inclusive consultations.”

Anne-Marie with Declan, Borough Green

“It is peace of mind, keeping the health care constant without the financial worry and having no surprises due to the regular payments. It also ensures that when you need to visit the vets the consultation is included and the additional payment is just for any medication.”

Irene with Dilly, Sevenoaks
